**ANIMAL HEALTH CERTIFICATE
for export of processed animal protein for use as feed from Finland**

I General information

I.1 Certificate number	I.2 Competent ministry of exporting country Ministry of Agriculture and Forestry of Finland
I.3 Competent central authority of exporting country Finnish Food Authority	I.4 Competent local authority issuing this certificate
I.5 Country of dispatch and ISO Code Finland FI	I.6 Country of destination and ISO Code
I.7 Consignor/exporter Name Address Email address	I.8 Consignee/importer Name Address Email address

II Details of consignment

II.1 Place and date of loading	II.2 Place of destination	
II.3 Means of transport	II.4 Conditions for storage and transport	
II.5 Type of packaging	II.6 Identification marks of packages	
II.7 Number of packages	II.8 Gross weight (kg)	II.9 Net weight (kg)
II.10 Container number(s) / Seal number(s) (if applicable)	II.11 Reference number of consignment (if applicable)	

III Identification of product(s)

#	III.1 Type and name of product(s)	III.2 Processed animal protein of (animal species)	III.3 Country of origin and ISO code	III.4 Date(s) of processing
1				
#	III.5 Type of processing (temperature, time, pressure [if applied] and particle size)	III.6 Processing plant(s) (name, address and official number)		III.7 Storage(s) (name, address and official number)
1				

IV Attestation

I, the undersigned Official Veterinarian, do hereby certify that the processed animal protein:

1. was produced in (a) plant(s) that have been approved and are under the supervision of the competent authority;
2. is suitable for use as feed or feed material;
3. was produced from raw materials derived from animals which were not under any official restriction due to a WOAHA listed animal disease the animal species concerned is susceptible to;
4. was produced from raw materials which were treated in accordance with the relevant European Union and national legislation on animal by-products;
5. was processed using a processing method approved in accordance with the European Union animal by-product legislation and described in point III.5 of this certificate; and
6. was handled, produced, packed and stored under sanitary conditions in accordance with the relevant European Union and national legislation.
