## IV Attestation

I, the undersigned Official Veterinarian do hereby certify that:

- 1) the fish and fishery products described above were manufactured at (an) establishment(s) and stored at (a) cold store(s) that have been approved and that are under the supervision of the competent authority of Finland;
- 2) the fish and fishery products were handled, produced, packed and stored under sanitary conditions in accordance with the European Union and Finnish legislation on public health requirements;
- 3) the fish and fishery products were at the time of loading in perfect condition and unconditionally fit for human consumption; and
- 4) Finland implements an official testing program for harmful organisms, veterinary drug residues and other toxic substances. The results of the tests meet European Union performance standards and have not provided any evidence as to the presence of chemical/drug residues or toxic substances or harmful organisms in this consignment which could be harmful to human health.
